This annual report fulfills the requirement outlined in Iowa Code 7C.13(2) by highlighting how our operations and activities served students and parents in fiscal year 2023.

Nonprofit Mission

Iowa Student Loan Liquidity Corporation® is a private, nonprofit corporation with a mission to help Iowa students and families obtain the resources necessary to succeed in postsecondary education.
From the Board Chair

Iowa Student Loan Liquidity Corporation continues to help students and families obtain the resources they need to succeed in education after high school. This annual report provides a look at how we strive to meet our nonprofit purpose and serve Iowans with private student loans (offered under the name ISL Education Lending), scholarships, and free college and career planning tools.

We continue to help Iowa students and families by offering competitive rates and transparent terms for our supplemental education loans. Despite continued rising interest rates in most financial markets, we kept our loan interest rate changes minimal, and lower than most for-profit lenders, to help students and families obtain needed funds at a reasonable cost. Information we provide also encourages students and families to compare loan and rate options before applying for a private loan. We provide this information on our website and at the start of our applications.

A significant amount of effort goes into helping educate students and their families so they better understand college costs and options for covering those expenses. As part of our mission, we offer scholarship programs and provide educational tools designed to help students and families navigate planning for the future, including the importance of career planning, as well as focus on appropriate borrowing levels and how to achieve educational goals. Since 2013, our scholarship and award programs have provided more than $1 million to Iowa students and families and have brought significant numbers of first-time users to our free educational tools.

Another way we achieve our mission is to support other organizations focused on helping Iowa students. Whether through financial assistance or assisting at events, I’m proud of the way the corporation and its staff have stepped up to help others in our community.

In summary, we remain committed to Iowans. Over the past decade, ISL has provided $50 million in the form of interest rate reduction benefits to help reduce student loan repayment levels and committed more than $18 million to education planning tools and resources, scholarships and loan forgiveness programs. Moving forward, I’m confident that we will continue to provide the resources Iowa students and families need to succeed in postsecondary education. On behalf of ISL’s board of directors, management and staff, I am pleased to provide you with our 2023 Annual Report covering our activities during the fiscal year ending June 30, 2023.

Christine L. Hensley, Chair, Iowa Student Loan Liquidity Corporation Board of Directors
Our Purpose and Activities

Iowa Student Loan Liquidity Corporation, doing business as ISL Education Lending, is Iowa’s statutorily designated student loan provider. From ISL’s office in West Des Moines, the company helps students and their families who need extra funds beyond financial aid, federal student loans and other sources by offering supplemental education loans. These loans are provided with transparent and beneficial terms compared to other private loan options offered by for-profit organizations. ISL works to provide loans with interest rates that are fair and competitive — and oftentimes much lower than the rates offered by other national lenders — to help students and families pay less in interest over the life of the loan.

Established in 1979, ISL is self-funded and self-capitalized. It is not a state agency and does not receive any state appropriations. As a nonprofit corporation, it has no shareholders and does not pay dividends.

ISL and its wholly owned subsidiary employ more than 150 associates. In its more than 40 years of service, ISL has worked to support the local economy through growth and maintenance of jobs that provide competitive salaries and benefits, including college financing or college savings benefits.

Iowa Student Loan Liquidity Corporation Board of Directors

The governor-appointed board of directors is made up of individuals representing the general public, educational institutions and financial institutions. The directors provide extensive levels of oversight and checks and balances to ensure ISL adheres to its mission and meets its obligations.

Aspire Resources Inc. Board of Directors

Aspire Resources Inc., Iowa Student Loan Liquidity Corporation’s wholly owned for-profit subsidiary, was created to provide loan customer service for borrowers in repayment and to perform functions not specifically included in ISL’s original tax-exempt designation. All revenues beyond operating expenses and reserves are used to fulfill ISL’s nonprofit mission. The Aspire board is appointed annually by the ISL board.
Helping Students and Families with Current College Expenses

When students need extra funds for college costs not covered by financial aid and other sources, ISL offers a number of supplemental private loans to help students and families. And ISL works to ensure that interest rates on those loans are fair, competitive and transparent. These lower-cost loans can help students and families pay less in interest over the life of the loan.

Student Loan Options

ISL continues to offer multiple Partnership Loan and family loan options to meet students’ and families’ needs.

Undergraduate and Graduate Students

- Fixed and variable rate options
- Interest-rate reduction and cosigner release benefits during repayment
- Different repayment start times the student chooses when applying

Upperclassmen Undergraduate and Graduate Students Without a Cosigner

- Requires full-time studies in Iowa for grad students; in Iowa or Illinois for undergraduates
- Competitive fixed rates for those without cosigners
- Different underwriting and eligibility requirements that students can meet

Families or Parents of Undergraduate and Graduate Students

- Allows families to help their students reduce borrowing costs
- Fixed rates equal to student loan fixed-rate options
- Different repayment start times to help reduce interest costs

“Look, I don’t like having to take out private student loans any more than the next parent. But the interest rate at ISL was literally HALF the rates offered by the big loan companies like Sallie Mae or College Ave. I called in a few times for questions and always spoke to a helpful human. They had every option I was looking for in a co-signed loan.”

Providing Borrowers with Ways to Refinance College Debt

Once college is over — or when interest rates start rising dramatically like they have in the past two years — refinancing student loans to get a lower rate or simplify repayment helps borrowers better manage repayment.

Refinance Loan Options

ISL offers a suite of **Reset Refinance Loan** options for borrowers with education loans who are seeking different options for repaying that debt. In addition, information continues to be provided upfront, as well as during the application process, to caution borrowers about the loss of options related to federal student loans such as numerous repayment plans, deferment and forbearance, and loan forgiveness, cancellation or discharge. That information was expanded to include stronger warnings related to expanded loan forgiveness possibilities and a newer income-driven repayment plan.

Helping Students and Families Plan for Success

Each year, ISL reinvests in the community through scholarship and award programs that include financial education tips.

Scholarships and Awards

More than $1 million has been provided to Iowa high school students and parents since 2013. Programs like the Iowa Financial Know-How Challenge: Senior Scholarship and the Save Now, Save Later: College Savings Plan Parent Giveaway provided valuable opportunities for education on how to plan and pay for education after high school, as well as monetary awards.

“Not only was this scholarship easy to apply for it also gave me amazing information for my future and a way to easily make a plan for student loans and how I'll pay them off.”

— Izabell, Trustpilot review

Senior Scholarship

Spanning 10 academic years, this program encouraged use of two online tools — Student Loan Game Plan and Return on College Investment — among Iowa high school seniors, helping them to plan for good borrowing decisions.
Save Now, Save Later

Iowa parents had the opportunity to review the online Parent Handbook before registering for this drawing for deposits into College Savings Iowa accounts.

Student Loan Game Plan

Applicants for student loans offered by ISL experience this tool as part of the loan application. First introduced in 2010, the current iteration of Student Loan Game Plan features real borrower stories, maximum recommended borrowing levels based on realistic starting salaries for graduates of specific majors, and interactive during- and post-college budgeting features.

Student Loan Game Plan Impact
Based on Applications in Fiscal Year 2023 (July 1, 2022–June 30, 2023)

- 6,064 loan applicants completed the tool
- 17.2% reduced their planned borrowing level
- $5,000 average loan reduction

Other Free Tools

Students and parents also have access to additional tools. Each is mobile-friendly and easy to use.

**Return on College Investment**

Users choose a degree type and career interest to see information for related jobs.

- Starting salary
- Future job openings
- College costs
- Return on investment over time based on education path
- Additional tips

**College Funding Forecaster**

The College Funding Forecaster helps families estimate the total cost of a college education, using the current costs of attendance at a chosen institution, as well as their own savings, earnings, scholarship and financial aid figures.

**Grad Degree Gauge**

Those who are considering returning to school from the workforce or continuing straight to graduate school after college can use this tool to compare earnings for their current, earned degree to those of the desired advanced degree.

Reaching Out to Educate Iowa Students and Families

ISL works year-round to reinvest in its local and state communities through education-based outreach and financial contributions.

### By Degrees Foundation

This Des Moines–based nonprofit promotes a culture of postsecondary education and careers throughout the K–12 experience. Many of the people served by the foundation are low-income and would be first-generation college students. Families earn deposits into 529 college savings accounts by participation in Milestone opportunities.

ISL’s support of By Degrees consists of an annual financial contribution to families’ college savings accounts and in-person and online outreach. In 2022–2023, ISL was pleased to be able to return to the classroom to supplement its virtual modules with in-person events, including the annual Family Fun Night featuring games and activities highlighting concepts around planning for postsecondary education.

Approximately 400 people attended, representing Findley Elementary, Harding Middle School and North High School students and families. Findley families earned Milestone rewards of $50 deposits into each of their Findley students’ 529 plans.

ISL provided information regarding:
- Types of postsecondary institutions
- Costs of attendance
- Financial aid
- College activities

In addition, By Degrees and community organizations promoted academic and financial planning, local financial services, electrical trades and family services.

### ICAN

ICAN provides free career and college planning and access services throughout Iowa and is the largest beneficiary of ISL’s community reinvestment funds. With a presence in 99% of Iowa high schools and eight regional offices across the state, ICAN provides services to Iowans in multiple ways. In the 2022–2023 academic year, this nonprofit had more than 1 million interactions and provided the following services.

- **3,190** in-office or virtual advising appointments
- **4,017** FAFSAs completed
- **376** school-based and virtual presentations
- **10,370** phone calls
- **444,053** resource and newsletter subscriptions
- **583,879** website visits

---

23% of families make less than $50,000 per year.

35% are first-generation college students who have no family members to guide them through the planning and financing process.

21% of customers identify themselves as belonging to races other than Caucasian compared to 9.43% of the population in Iowa.
Resources for Educators and Students

Each year, our staff sponsors, presents at and participates in several conferences and events.

- **College Fairs**
  We provide college-bound students and families with information on upcoming scholarship and award programs, as well as general student loan and college financing information, at the Golden Circle College and Career Fair.

- **Educator Conferences**
  We were sponsors of both the Iowa School Counselor Association Conference and the Iowa Association of Student Financial Aid Administrators Conference, in addition to exhibiting at the Jump$tart Educators Conference.

- **Presentations**
  We spoke at 13 school- and community-based presentations to approximately 400 people.

Visit [www.IowaStudentLoan.org/Community](http://www.IowaStudentLoan.org/Community) to learn more about our outreach to Iowans.

**University of Iowa REACH Program**

The University of Iowa Realizing Educational and Career Hopes Program (UI REACH) is a two-year transitional certificate program for students with multiple intellectual, cognitive and learning disabilities. The program aims to provide students with social and life skills, including money management and financial planning, so they can become independent active members of the community.

- Annual donation to provide two-year scholarships to two Iowans in the UI REACH Program
- First year of support for two students from Keokuk and Sioux City

**Junior Achievement**

Junior Achievement of Central Iowa hosts JA Finance Park, a financial literacy laboratory to inspire and prepare youth to achieve. It allows middle and high school students to see, touch and live the experience of personal finance by “basically becoming an adult for the day.”

- Monetary support to assist with expenses associated with the JA Finance Park
- Billboard sponsor at the education stop in the virtual version of Finance Park

**Al Exito**

Al Exito is the only statewide nonprofit organization in Iowa dedicated to advancing the educational achievement and transformative leadership capacity of Latinx youth and their families. Program focus includes college prep, career development, civic engagement, family support and celebration of culture.

- Contribution to the Al Exito Mary Campos Scholarship
- Presented at Al Exito University, a summer camp for Latinx students in ninth through 12 grades

**ISU 4U Promise**

The ISU 4U Promise program provides reduced and free Iowa State University tuition to students who attended King and Moulton Elementary schools in Des Moines and graduated from Des Moines Public Schools.

- Participation in the ISU 4U Promise Community Alliance
- Activity provider for the college night with more than 1,200 attendees
Assisting Student Loan Borrowers

ISL and its servicing staff at Aspire Servicing Center strive to provide high-quality customer service to borrowers repaying their student loans.

Awesome customer service!!! I had a lot of questions and every call that I made I got someone on the line that was very knowledgeable, caring and patient. I appreciated that. I was a newbie with this whole process.

Our 2023 Public Policy Priorities

We are an information resource for state and federal officials who want to understand how policy changes they are considering might impact, positively or negatively, the thousands of Iowa students and families we assist as they plan for and fund their postsecondary education.

From time to time, we also raise awareness among public officials about challenges faced by the students and families we serve that can be addressed through bipartisan updates to public policies. These efforts typically focus on support for:

- Strong financial literacy education.
- Consumer transparency related to postsecondary education costs and financing options.
- Adequate need-based student financial aid.
- Loan repayment assistance.

These efforts have contributed in past years to, among other successes, removing tax penalties for those receiving loan forgiveness in cases of death or disability of the borrower, exempting taxes on employer-provided student loan repayment benefits and publication of statewide data providing comparative information on available student loan rates.

In fiscal year 2023, we continued to advocate for public policies that provide better student understanding of postsecondary options and career opportunities, greater consumer understanding of college costs and financing options, assistance for those needing help to pay for college expenses, and reasonable options to assist borrowers repaying their education loans.

And we will continue to provide our public officials with information they seek in order to arrive at the best possible outcomes from their efforts to help Iowa students and families in 2024.
“My experience was great because I learned more about what my college funds will look like. It puts into perspective the long-term money management that goes into college.”

— Maggie, Scholarship registrant, Trustpilot review

“We needed additional loan support for our son’s college. We like that ISL as a nonprofit, engaging in education and supporting good lending practices. [Their] interest rates were very competitive.”

— Jeffrey, Trustpilot review

“Very friendly and positive staff who were extremely knowledgeable. They made the whole experience unstressful.”

— Douglas, Trustpilot review
